Donetsk National Technical University
Finance and Banking
- 01.2020 - present
Good English Club
English courses

EXPERIENCE

- 10.2018 - 09.2019
Freelance
Freelance
My first experience in IT was freelance, after I completed the Front End courses. On the fl.ru resource, I took orders for creating sites according to layouts, fixing errors in html code, and adapted for gadgets. Fulfilled more than 5 orders, I have good reviews.
- 09.2019 - present
Web Studio "DigitalPro"
HTML coder
In this company I am an html-coder. I create sites on PSD layouts, use cross-browser, valid, semantic layout. I optimize for search engines, carry out adaptation. For page layout, I use bootstrap, flexbox, I use JS and JQuery.
